Publication: All accepted papers will be published in the proceedings of the 35th DAAAM International Symposium. All papers will be cross-referenced and over CrossRef they will be permanently accessible on the Internet, for free of charge download. Curran Proceedings – New York (<http://www.proceedings.com>) will publish book form of the proceedings. Traditionally and for many years now, DAAAM Proceedings are indexed in Scopus and several other relevant databases. This year's Proceedings will also be sent to the evaluation for indexing in all relevant databases.

Editor: B. Katalinic
